Awesome Azure Policy

A curated list of AWESOME blogs, videos, tutorials, code, tools, scripts. Anything which can help you learn Azure Policy and quickly get started with designing, planning, and implementing governance controls to your resources.

> Community contributions are welcome! Check out the contribution guide today and submit a **pull request**!

Microsoft Learn

- Address Tangible Risks With The Govern Methodology Of The Cloud Adoption Framework For Azure
- Azure Kubernetes Services Governance with Azure Policy
- Build Cloud Governance Strategy On Azure
- Configure Azure Policy
- Design An Enterprise Governance Strategy
- Design Governance
- Intro to Azure Policy
- Manage security operations in Azure

Microsoft Docs
